

Respect and Code of Conduct for Carriage Drivers under 25 years of Age.

We all have a responsibility to promote the safe use of all driven animals and ensure high standards of Health and Safety and driver competency within carriage driving.

I will:

Remember that as a young driver I learn to drive for FUN and place the safety , enjoyment and well being of myself and any equine above everything else including winning.

Ensure that I follow established safe practise when harnessing up/putting to and driving animals in harness.

Ensure that the welfare of the equine is considered of the utmost importance.

Ensure that as a young driver I will wear correct, approved safety equipment and clothing.

My groom must fit the criteria written down by the BHDTA rules, etc.

I will never engage in or tolerate any form of bullying, offensive, insulting or abusive behaviour towards another young driver or equine.

I will respect the decision of the judges/stewards and event officials at competitions and training events.

I will respect different venues property, rules and equipment.

I will respect fellow competitors and applaud others efforts and achievements.

I will encourage the effort that other young drivers make whether success is the result or not.

**I will remember that I drive for fun and respect my
horse/pony at all times.**
